15                    UNITED STATES OF AMERICA,

CASE NO. MJ18 - 329

16                    Plaintiff,

COMPLAINT for VIOLATION

17                    v.

18 U.S.C. § 875(c)

19                    PAUL GEORGE CARTIER,

Defendant.

20                    BEFORE, The Honorable Mary Alice Theiler, United States Magistrate Judge,  
21 U.S. Courthouse, Seattle, Washington.

22                    COUNT ONE  
23                    (Interstate Threat)

24                    On or about November 27, 2017, at Seattle, within the Western District of  
Washington, the defendant, PAUL CARTIER, did knowingly and willfully transmit in  
interstate and foreign commerce a communication, to wit, a telephone call from Canada  
to the United States Attorney's Office in Seattle, Washington, and the communication  
contained a threat to injure J.D. and R.F.

25                    All in violation of Title 18, United States Code, Section 875(c).

26                    And the complainant states that this Complaint is based on the following  
27 information:  
28

1       1. I, John Wurster, am a Special Agent with the United States Secret Service  
2 (USSS) and have been so since June 21, 1999. I am currently assigned to the Seattle  
3 Field Office. I am a graduate of the Federal Law Enforcement Training Center located in  
4 Glynco, Georgia, and the USSS Training Academy located in Beltsville, Maryland. Prior  
5 to my employment with the USSS, I served in the United States Army as a  
6 Counterintelligence Special Agent. I have a Bachelor of Science Degree from Brenau  
7 University. As part of my training with the USSS, I have received instruction on the  
8 investigation of financial crimes, including counterfeiting, identity theft, access device  
9 fraud, wire fraud and bank fraud. I have also received training in the investigation of  
10 threats made towards individuals who have been assigned USSS protection. In the course  
11 of my law enforcement career, I have investigated crimes ranging from the production &  
12 passing of counterfeit currency, identity theft, access device fraud, wire fraud, bank fraud  
13 and threats made towards the President, Vice President and former Presidents of the  
14 United States. I am a member of the Seattle Internet Crimes Against Children Task Force  
15 and have both received training and worked with other federal, state and local law  
16 enforcement personnel during the investigation of crimes involving the sexual  
17 exploitation of children. As part of my duties, I routinely investigate violations of federal  
18 law, particularly in relation to violations of Title 18, United States Code, Sections 871  
19 and 875 which criminalize making threats against protected persons.

20       2. The facts set forth in this Complaint are based on information obtained by  
21 me and others during this investigation from a variety of sources including other USSS  
22 Special Agents, members of the United States Attorney's Office for the Western District  
23 of Washington, Deputy U.S. Marshals, members of Canadian law enforcement, and  
24 publicly available materials regarding a prior federal criminal case, *United States v. Paul*  
25 *Cartier*, CR12-139, filed in the United States District Court for the Western District of  
26 Washington.

27       3. Because this Complaint is submitted for the limited purpose of establishing  
28 probable cause in support of an arrest warrant, it does not set forth each and every fact

1 that I or others have learned during the course of this investigation. I have set forth only  
2 the facts that I believe are necessary to establish probable cause to believe PAUL  
3 CARTIER, committed the offense of Interstate Threat, in violation of Title 18, United  
4 States Code, Section 875(c).

5 4. On November 27, 2017, at approximately 1:27 AM, a caller identifying  
6 himself as Paul George Cartier, along with his date of birth, left the following voicemail  
7 after calling the main office number for the United States Attorney's Office in Seattle,  
8 Washington:

9 Yes, hello. This is for [J.D.], the former District Attorney of -  
10 - U.S. Attorney, Washington State. Uh, she's going to be shot  
11 and killed with, uh, [F.], the, uh, AG of Washington State,  
12 also President Trump, too, and [J.S.]. I just called them. My  
13 name is Paul George Cartier, [date of birth]. You can put the  
14 warrant out in five or ten days. You know who I was, first  
president, nanotechnology (phonetic). My lawyer is (206)  
553-1100 in Seattle here, too. [C.E.]

15 I have to put you in diapers. I've got things on the AIDS virus  
16 in fax, 9/11 conspiracy papers, November 3rd, 12 2002 "60  
17 Minutes", President Bush and 51 -- Area 51. Dr. Larry Ford  
18 and Valerie Kessler for the AIDS virus. I have enough stuff to  
be put in nuclear bombs and smash it. I've got the things the  
19 Arabs, the U.S./Middle East radio/video. If this goes public,  
you're in diapers. They'll take care of you, too, and shoot you  
20 under my command.

21 Well, hello [J.D.], you jerk, because they're doing marijuana  
22 now. What a fucking loser you are. You've been doing mari -  
23 - oh, yeah. This guy is, uh, doing marijuana in Vancouver. Al  
24 Quaida. He's a suss (phonetic) agent, too. And the cease  
25 (phonetic) is causing that, (604) 528-23 7400. The spies here  
caused it.

26 Well, you have a good day. Got ten days for the  
international warrant. You better do the, uh, international  
27 warrant. Because if you don't come and get me, never mind  
my bail money, I'll have you put in diapers because that's it.  
28 It'll get worse. International warrant, come get me.

1           Hello, [B.F.]. I'm a [F], too. My mother's a royal from  
2           England. But, uh -- uh, I'm [F]. I was first president  
3           reincarnation nanotechnology.

4           Okay, [J.D.], you got to put up the thing because I'll put you  
5           in diapers, shoot you. Bye.

6         5. CARTIER is a citizen of Canada and well known to law enforcement.  
7         According to information from Canadian authorities, CARTIER's Canadian criminal  
8           history includes a conviction for Armed Robbery. In the United States, his criminal  
9           history includes a 1993 conviction for petit larceny, a 1990 conviction for bail jumping,  
10          and a 1988 conviction for battery. On December 23, 2009, CARTIER was previously  
11          charged by way of complaint in the Western District of Washington with three counts of  
12          Interstate Threats, in violation of Title 18, United States Code, Section 875(c). As  
13          detailed in the complaint, CARTIER, in December 2009, made a series of telephone calls  
14          from Canada to the United States Attorney's Office in Seattle, Washington, and  
15          threatened to kill an Assistant United States Attorney for the Western District of  
16          Washington, and another employee of the Office. The 2009 Complaint is attached hereto  
17          as Attachment A and the contents are incorporated as if stated herein.

18         6. In 2012, CARTIER was arrested on the 2009 complaint after attempting to  
19          cross the U.S.-Canadian border. He was then indicted by a Grand Jury in the Western  
20          District of Washington for the same offenses set forth in the 2009 Complaint. CARTIER,  
21          however, was eventually found incompetent to stand trial and ordered to undergo  
22          competency restoration treatment. In May 2013, the court denied requests to continue to  
23          detain CARTIER for restoration efforts, and the case was eventually dismissed.  
24          Thereafter, CARTIER was transferred to the custody of Immigration and Customs  
25          Services and deported to Canada.

26         7. According to the telephone records at the United States Attorney's Office,  
27          the number from which CARTIER made the November 27, 2017 telephone call is  
28          "unregistered" and further tracing is not possible. As set forth below, there is probable

1 cause to believe that CARTIER initiated the November 27, 2017, telephone call to the  
2 United States Attorney's Office from Canada.

3       8. Since CARTIER's removal back to Canada sometime in 2013, an alert has  
4 been in place at the U.S. - Canadian border to contact law enforcement agencies,  
5 including the United States Marshal and Federal Bureau of Investigation, if CARTIER  
6 attempted to cross the border. No notice of any attempts by CARTIER to cross the  
7 border into the United States was issued prior to May 26, 2018.

8       9. In addition, on November 28, 2017, an employee of the United States  
9 Attorney's Office, who was performing reception duties, answered a telephone call on the  
10 main Office's telephone number. The employee, having heard CARTIER's voice  
11 previously by way of the earlier voicemail, recognized the caller as CARTIER, although  
12 the caller did not identify himself. CARTIER asked for the name of the current United  
13 States Attorney for the Western District of Washington and hung up once he obtained the  
14 information. According to the Office's telephone records, CARTIER called in from the  
15 following number: 1-604-872-5475. An open source check of records indicated that this  
16 number was the number of an outdoor gear and military surplus store located in  
17 Vancouver, British Columbia, Canada. Law enforcement in Vancouver, Canada  
18 contacted the store owner. The store owner recalled that someone who looked like  
19 CARTIER came to the store and asked to use the telephone. The store owner described  
20 CARTIER as a homeless person dressed in camouflage, who exhibited signs of mental  
21 illness.

22       10. On November 29, 2017, at approximately 1:06 AM, a caller identifying  
23 himself as PAUL CARTIER, again called the main telephone number of the United  
24 States Attorney's Office, and left the following message directed at the current United  
25 States Attorney for the Western District of Washington:

26           Yes, hello. This is for [A] – [A.H.], the head District  
27           Attorney, like [J.D.]'s double jeopardy – [J.D.] My name is  
28           Paul George Cartier, [date of birth]. Yeah. Uh, you're going  
                to be wearing diapers, uh, [J.D.'s]. Because, uh, they're doing

1 marijuana now. They're making it legal. You're a fuck up.  
2 You're a criminal DNA. You're a DA with a diaper skirt that  
3 tells lies and puts people in diapers in jail. Well, you're  
4 wearing a diaper skirt, miniskirt in the courtroom, lie and  
railroad shit. You're already dead, lady.

5 Uh, you fucked with the wrong person. I was George  
6 Washington nanotechnology (phonetic). Remember me? Paul  
George Cartier, [date of birth]. You can call [C.E.] at 1(206)  
7 553-1100.

8 That's right. And [J.S.] and the President, too. They're all  
9 going to be put in diapers and shot. Nuclear bombs sent to  
Washington D.C. and also Seattle under my order.

10 I got the 1218 Geneva switch line and the, uh, fax number to  
11 World Health Organization for the AIDS virus that you did it  
12 with President Bush in Area 51, November 3rd, 22 2002 or  
October 31st, 2002. "60 Minutes" got certified paper, ten of  
13 them. Like 9/11, the inside job, remember? With, uh, Mike  
14 Wallace, Larry Ford -- Dr. Larry Ford, and,  
uh -- uh, other people spread the AIDS virus. Valerie Kessler.  
Remember, she told him not to eat, and the monkey bit the  
15 gay guy? You guys did it.

16 Listen, you're gonna be screwed. There will be nuclear  
17 bombs all over your United States. Send an international  
18 warrant for my ass because if they catch me, they'll let me out  
of jail here. And you play that shit, because I have a -- I'm  
19 worth a lot of bail money. Remember, you guys got it from  
20 2000 with the INS. I'm worth a lot of bail money. They keep  
me, they're going to make me turn on you for 9/11 and that,  
21 too. So you better have an extradition warrant, get it? And  
22 toot sweet, right away.

23 Well, you're all going to be dead and wearing diapers. Have  
24 a nice day. Don't worry about it, the discotheques are full  
where the prisoners wear diapers in jail and they disco dance.  
25 Cheers.

26 11. On May 26, 2018, a caller identifying himself as Paul George Narcisse-  
27 Cartier, called the White House. The operator forwarded the call to a USSS agent.  
28 CARTIER spoke rapidly and seemed to be in a manic state. He said that he was going to

1 leave his residence in Vancouver, Canada, cross the border and, if he made it to the  
2 United States, kill the President of the United States. CARTIER repeatedly said that the  
3 agent should call Immigration and Customs Enforcement and warn them that he would be  
4 crossing the border and that they should stop him.

5       12. On May 26, 2018, at approximately 6:56 pm, U.S. Customs and Border  
6 Patrol personnel observed a male subject get out of a taxi near the U.S./Canada border,  
7 east of Sumas, Washington. Border Patrol Agent Derick Dornan contacted the subject  
8 who identified himself as CARTIER. CARTIER admitted that he was born in Canada  
9 and was a Canadian citizen. He was not carrying any immigration documents. He told  
10 Agent Dornan that he crossed the border into the United States because he wanted to turn  
11 himself in and go to jail. Border Patrol Agents arrested CARTIER. From CARTIER's  
12 backpack, agents recovered a realistic looking replica toy pistol, two pairs of handcuffs,  
13 and a fake FBI identification with CARTIER's picture. CARTIER claimed to be an  
14 undercover FBI Agent and claimed to know the President of the United States.

15       13. On May 27, 2018, I interviewed CARTIER at the Northwest Detention  
16 Center. He said that he is constantly harassed by the Canadian Security Intelligence  
17 Service and would like to live in the United States. He denied any actual intent or plan to  
18 harm the president and claimed that he deliberately forewarned law enforcement that he  
19 was planning to cross the border so that he would be taken into custody. I asked him  
20 about threats he had made to employees of the U.S. Attorney's Office. He claimed that  
21 he made the threat for the same reason that he threatened the president and that he had no  
22 intent to harm. He claimed that he carried the fake gun to display as needed to protect  
23 himself because he lives on the streets. He said that he carried handcuffs and fake FBI  
24 credentials because he is a "wannabe cop." He shows the fake FBI credentials to law  
25 enforcement hoping to be treated well. He denied trying to misrepresent himself as a law  
26 enforcement officer.

27       14. CARTIER has an extensive history of mental illness. I contacted Canadian  
28 authorities and learned that CARTIER has been receiving some form of mental health

1 care for approximately 20 years. According to Dave Staniforth, Clinical Coordinator,  
2 Vancouver Coastal Health, at the time of his arrest, CARTIER was compelled by law to  
3 undergo mental health treatment, including taking prescribed medications. If found in  
4 violation of the program, he can be involuntarily hospitalized. According to Staniforth,  
5 CARTIER "has been assessed by both law enforcement and mental health practitioners  
6 many times over the past 24 months and has not been seen to pose any credible threat to  
7 public safety." In my interview of CARTIER, he claimed that he has been treated for  
8 paranoid schizophrenia, but does not agree with the diagnosis. I also noted that although  
9 he was cooperative and appeared to be eager to talk, he exhibited signs of mental illness.  
10 He claimed to be the first president of the United States and claimed to have cameras in  
11 his eyes.

12 15. CARTIER is currently detained pending deportation/removal. On June 25,  
13 2018, he was found to have a serious mental disorder or defect that may render him  
14 incompetent to represent himself in immigration proceedings pursuant to *Franco-*  
15 *Gonzalez v. Holder*, 2014 WL 5475097 (C.D. Cal. 2014). He was appointed a Qualified  
16 Representative to assist him.

4 Title 18, United States Code, Section 875(c).

## **COUNT THREE**

### **(Interstate Threat)**

On or about December 21, 2009, at Seattle, within the Western District of Washington, PAUL GEORGE CARTIER did knowingly and willfully did transmit in interstate and foreign commerce from Canada to the Western District of Washington, a communication, to wit, a telephone call, to Assistant United States Attorney T.G. and S. Z-B., and the communication contained a threat to kidnap and injure T.G. and S. Z-B.

All in violation of Title 18, United States Code, Section 875(c).

And the complainant states that this Complaint is based on the following information:

I, William R. Walton, being first duly sworn on oath, depose and say:

1       1. I am a Special Agent with the Federal Bureau of Investigation (FBI), and  
2 have been so employed since April 2007. I am currently assigned to the Seattle,  
3 Washington Field Office. Prior to my employment as a Special Agent, I served for 16  
4 years in the United States Air Force. I have completed FBI training in the investigation of  
5 criminal matters. While working as a Special Agent, I have directed or otherwise been  
6 involved in investigating violations of federal law.

7       2. Based on my personal experience in this investigation and on my review of  
8 information provided to me by other FBI Special Agents and U.S. Deputy Marshalls, I  
9 believe the facts set forth in this complaint indicate violations of Title 18 United States  
10 Code, section 875(c) by Canadian citizen Paul George Cartier, born in 1962.

11       3. On December 10, 2009, the United States Attorney's Office (USAO) began  
12 to receive threatening telephone calls by an individual who identified himself as PAUL  
13 GEORGE CARTIER. CARTIER threatened to kill the attorney assigned to the Marc  
14 Emery case and the receptionist at the USAO. Marc Emery is a Canadian national who  
15 has been indicted in this Court for a number of felony drug offenses for selling marijuana  
16 seeds nationally and abroad. Emery is scheduled to be extradited to the United States for  
17 a sentence of five years.

18       4. The Assistant United States Attorney (AUSA) assigned to the Emery case is  
19 T.G., and the USAO receptionist is S. Z.B. The victim names are partially redacted  
20 throughout this Complaint.

21       5. On December 10, 2009 at 3:36 pm, S. Z-B. received a telephone call from  
22 416-589-0379. The number is a routing number for a calling card with a Toronto, Ontario  
23 area code. A male identifying himself initially as Edward Greenspan, subsequently as  
24 PAUL GEORGE CARTIER, requested to speak to the attorney responsible for the Marc  
25 Emery case. S. Z-B. identified AUSA T.G. as the prosecutor assigned to the case and  
26 forwarded the caller to T.G.'s voicemail. The caller left the following voicemail for T.G.:

27       ///

28       ///

1 Hi [T], it's Paul George Cartier, January 2nd, '62, I work for

14 handle him or touch him. Do you understand? You can deal  
15 with my friends and boys. I've got your fax number. You're  
16 dead already.

17 5. On December 10, 2009, a second telephone call was received at 3:48 pm  
18 from 416-589-0379. The caller stated "I'm going to fucking kill you (receptionist) and T.  
19 G. when I get to town."

20 6. On December 10, 2009 at 4:00 pm, CARTIER faxed from (604) 685-6725,  
21 a photo of himself. Printed on the photo was the phrase, "Paul George Cartier (me)," and  
22 an arrow pointing to the picture. The subscriber of the facsimile number (604) 685-6725,  
was confirmed by Christopher Wetmore, liaison to the United States Marshal in  
Vancouver, BC as Staples Office Supply located at 779 West Pender Ave. Vancouver,  
BC. Cartier wrote on the same fax his date of birth, American and Canadian Social  
Security Numbers, and the following message:

23 Todays date: Dec 10 09. 666 aka Damian Thorne.. Hey [T.  
24 G.]; You fucking Jew kick (sic), (oh by the way, I'm Jewish

28 7. On December 17, 2009 at 7:03 am, CARTIER telephoned the USAO and  
left the following voicemail:
